Minutes

I. Call to Order 6:30pm

II. Guest Speaker: Ben Locke, Ph.D. Counseling and Psychological Services (CAPS)
   a. Staff of CAPS work with PSU students in group therapy, individual counseling, crisis intervention, psychiatric services, etc.
   b. In addition, working to increase prevention and outreach events related to mental health issues
   c. Always seems to be more demand for services than staff who can assist
      i. Students in crisis are never turned away but there are limitations on the number of individual counseling appointments that can be made for each semester
      ii. Why has demand appeared to increase in recent years?
          1. Are we getting better at detecting or recognizing signs of mental health issues?
          2. Are people of more varied backgrounds getting further in higher education?
      iii. Shift from depression to anxiety as being more cause of student concern
   d. Recent additions to the funding from the university has allowed CAPS to hire more personnel for this year but with limited on-campus space, CAPS had to acquire additional space downtown to accommodate these individuals. Further expansion would require additional space to be secured
   e. Discussion regarding a mental health fee
      i. Proposed additional charge to students in attempt to increase the amount allocated specifically to the care and prevention of mental health issues
         1. In the past, funding has been cut from a chunk of the tuition money, but this not necessarily guaranteed nor is it flexible enough to accommodate annual changes in the demand for services
         2. This fee would be monitored and established by an oversight board on which students would have representation. This board would be in charge of determining whether a given year required an increase in the charged fee to meet the demand of the university and how best this fee could be used to benefit all students

III. Roll Call
IV. Approval of Minutes

a. Moved by Alex Park to approve minutes of November 12, 2014 as distributed, 2nd by Erica Hildabridle. Objection: notation for roll call is incorrect and confusing (X and O both marked as absent). Suggestion made to change roll call notation for future meetings. Motion carries (17 in favor, 0 opposed, 1 abstention); minutes for November 12 2014 approved.

V. Standing Committee Reports

a. Internal Development: Jared Kephart
   i. Committee is currently reviewing one resolution; feedback will be returned to chair of Student Concerns committee once one has been appointed.

b. Community Service: Erica Hildabridle
   i. Project CARE
      1. Contact Erica (esh5111) for cards that detail available resources – give them to friends, colleagues, etc. and spread the word
   ii. Upcoming activities for next semester – goal is to have 1 event per month
      1. Secret Snowflake
         a. Send small gifts (i.e. candy) to people to brighten their day
         i. Potential to raise money for charity of our choice with the funds raised through this initiative
   b. THON
      i. Committee will be working with the THON committee to help get this organized before the event
   c. Relay for Life
      i. Looking to pull a team together that included representatives from other graduate & professional student organizations
   d. Book sale & development of literacy program for incarcerated women in Centre county initiative
      i. If interested in helping or learning more about this, contact Erica (esh5111)

c. Student Concerns:
   i. Committee is currently seeking a chair. Please contact Doug Whalen (dkw5064) if interested.

d. Grad Cup: Ayla Gafni
   i. Meetings to organize and plan event will begin next semester
   ii. Committee is still looking for interested individuals – please contact Marika Merritt at (mnm5084) if interested.

e. Professional Development:
   i. Short inquiry made as to when the next Dissertation Bootcamp will be held; Doug will engage the committee to be more active.

f. Programming: Ayla Gafni
   i. Events for next semester in the works:
      1. Charity Date Auction
Potential to rework structure of this event
Contact Ayala (arg225) or Marika Merritt (mnm5084) if interested in helping or have suggestions for how to make this event successful

After Grad Cup Social
Happy hours after Assembly meetings
Graduate Student Appreciation Week
  Discussion and planning for this will begin next semester. Contact Enica Castañeda (enica@psu.edu) or Marika Merritt (mnm5084) if interested in helping.

Recap of Gala (held on November 14, 2014)
  Sold 138 tickets total!
  Raised $120.00 for the International Justice Mission and $150.00 for State College Area Food bank!
  Observations and comments from Faculty Advisor on success of event:
    Executive board and delegates did a great job networking with individuals not currently involved with GPSA activities
    Graduate students in attendance were networking with other graduate students both within and outside of their programs
    Overall, this event went very well and certainly gave the GPSA a positive image!
  Great job to the Programming Committee for organizing and hosting!

Publicity and Media: Nicole Benevento
  Please send events to Nicole (nmb5273) to be added to the calendar on the GPSA website (http://gpsa.psu.edu/calendar-of-events/) and Facebook page.
  #BlackLivesMatter: Who Cares! Open Forum will be held on Wednesday, December 10, 2014 at 7pm in Freeman Auditorium of HUB-Robeson Center. More details regarding this event will be posted to the calendar and updated to the Facebook page as they are released. Stay tuned!

Human Diversity: Luis Ocampo
  Please contact Luis (lio5000) with ideas or suggestions for the committee for next semester.

THON: Marika Merritt
  Nothing to report

PACCC: Nathaniel Porter
  Committee is currently working with the health insurance committee to provide resources about insurance enrollment for families
  Congratulations to Nathaniel for passing his comprehensive exams today!

Health Insurance: Nathaniel Porter
  Meeting was held on November 20, 2014 to discuss preliminary options as presented by AETNA – thank you to all in attendance
  Committee is still seeking feedback from students on these option – please contact Nathaniel (ndp135) or Alison Franklin (amy125) with additional comments
Discussion has begun about hosting a workshop early next semester to provide a general introduction to concepts (ex: what is a deductible, copay, etc.). This would allow students to provide feedback to liaisons of the health insurance board.

1. Issue was raised that not every student can attend a workshop – perhaps there is another way to effectively disseminate this information (ex: educational video with a follow-up survey)

2. There is also a need to update the health insurance page on the GPSA website so some of these questions and definitions can be fleshed out there as well.

If there is enough interest, there is the potential to host an event on campus to have representatives provide enrollment assistance for health care marketplaces

1. Health care marketplaces are of particular interest to students that do not have subsidized coverage (professional students), those who are not on assistantships, and the families of students
   a. Is it possible to change enrollment in particular plans or change enrollment status throughout the semester or year? There is a period in early January in which changes to the enrolled plan can be made

2. Something to keep in mind: Pennsylvania’s HIPP (Health Insurance Premium Payment) program
   a. Employer buy-in program
   b. This may be a cheaper way to have family members on our plans

VI. Report by the President: Danielle C. Rhubart

a. Board of Trustees Meeting
   i. New governance package has been passed, and included in this is the codification of the student trustee position with voting rights

b. Meeting with Senior Administration
   i. Student Fee Boards
      1. There is a discussion to instate a broader fee board to oversee the implementation of new fees (mental health fee, IT fee, etc.). This board would require student representation.
      2. Please contact Danielle (Rhubart@psu.edu) if you are interested in helping with this endeavor.

ii. Counseling and Psychological Services
    1. There is an interest to invest more money into mental health services, but there is also interest in understanding how to be proactive and prevent increases in mental health issues.

iii. Board of Trustees Relations
    1. Previously discussed the opportunity for Graduate Exhibition winners to meet and present for Trustees but two issues have arisen with this:
       a. Would trustees be able to engage with students in a productive manner?
       b. This meeting might have to be during the summer, after students have already left or have other engagements
    2. New potential idea to encourage and engage students with trustees: have a short presentation from 1 or 2 graduate student researchers present at a scheduled board meeting in a similar style as to how programs currently present updates and information to the board.
Potential to have a panel discussion where students can converse with Trustees – it would be a way for trustees to hear about student concerns, learn about exciting initiatives on campus for students, etc.

Tuition Transparency
1. Idea to host a joint meeting with UPUA where David Gray or similar administrator can speak on the university budget, how tuition costs are allocated, etc.

Student Heath Insurance Task Force recommendations
1. Response to these recommendations is expected be released soon
   a. Extra time has been taken in the process to craft this response to appoint people to address specific concerns – this is encouraging!

c. Project Decision Review Board
   i. This board reviews all projects that use capital funds at the university and is looking for student representatives (board meets approx. 6 times per year). If interested, please send a paragraph detailing your interest to Danielle (Rhubart@psu.edu) by Friday, December **

d. Student Activity Fee Board
   i. Proposed changes to board, as outlined below, will be voted on in early January.
      1. All non-student members, with the exception of the Vice President of Student Affairs, who chairs the board, will be ex-officio non-voting members. These individuals will remain on the board as consultants but will not have the ability to vote on matters.
   ii. Moved for Danielle to approve changes to board from Alex Park, 2\textsuperscript{nd} by Jared Kephart
      1. Point of clarification by Char White: What is Danielle’s opinion on this matter? She is supportive of this – administrators need to be at the table but do not necessarily need voting privileges
      2. Motion carries (14 in favor, 2 opposed, 1 abstention)
   iii. Moved to extend report for 4 minutes by unanimous consent by Jared Kephart, 2\textsuperscript{nd} by Ayla Gafni
   iv. Question by Marika Merritt: How will the board ensure that information will be reported to Commonwealth Campuses? All members who currently sit on the board will remain as consultants, so no information should be lost.
   v. Question by Brian Aynardi: How can the board accommodate requests from the Commonwealth Campuses that are different from University Park? Perhaps there should be a discussion about incorporating a tiered structure to accommodate differences. This discussion is already taking place, as presented during previous meetings by Danielle.
   vi. Moved to extend report for 3 minutes by unanimous consent by Alex Park. Objection from Enica Castañeda. Motion carries (15 in favor, 4 opposed, 0 abstention).

e. Facilities Fee
   i. The deadline for submissions to the idea campaign has been extended! Please keep submitting great ideas here: \texttt{http://pennstateupua.com/wtf}
      1. Some ideas that have been submitted might be able to be covered by other offices on campus. Some submitted ideas to date are:
         a. Hydration Stations, Additional bike racks with covers, improved lighting near bike racks, large screen TV in Kern, restroom foot pulls, gender neutral restroom maps, signage/maps for entrances that are ADA compliant, ice cream truck.
Potential idea brought up during discussion: fund or contribute to the funding of additional space for CAPS

Meeting with Borough Councilwoman Sarah Lowe (and Peter Morris)

i. Approached to discuss the removal of PhD students from Borough’s definition of ‘students’
   1. Councilwoman believes PhD students should be categorized as long term, low-income residents instead.
   2. Does this also include JD students? This will be discussed during the upcoming meeting on Friday, December 5, 2014.

VII. Report by the Executive Vice President: Douglas Whalen

a. Student Concerns committee is currently seeking a new chair. If interested, please contact Doug (dkw5064). For now, Doug will answer questions but will forward any concerns to the committee for action.

b. Aparna Parikh has stepped down as chair of the Human Diversity committee. Please congratulate Luis Ocampo, who has now stepped up to take on the role of chair!

VIII. Report by Vice President of External Affairs: Nicole Benevento

a. HUB Robeson Center Advisory Board Meeting (11/13, 12/2)
   i. Hardhat tour of HUB expansion progress (11/13) - Some highlights:
      1. Open tech space will be available
      2. Green roof terrace (part of class of 2014 gift to university
      3. Bookstore renovations
   ii. Delays in opening due to weather and inconsistences in ‘as built’ documentation supplied
   iii. Tentative opening date of March 2, 2015
   iv. Soft opening of bookstore in February 2015
   v. HUB lawn should be cleared for Fall 2015 semester!
   vi. Space allocation will be accepting and reviewing applications for HUB space in the spring
      1. GPSA will need to submit our annual application for space
   vii. Complaints have been submitted to HUB regarding the TV channels playing in the lobby
      1. The HUB TV Channel Selection Committee will be reviewing this soon and will hopefully address some of these concerns
   viii. There will be changes for event space rental rates in the HUB – be sure to make note and inform other organizations you are involved in. These will be effective January 1, 2015.
   ix. There will be FREE COFFEE in the HUB during finals week! As an additional side note, there will also be free coffee at McLanahans downtown all of finals week.

b. Open Forum #BlackLivesMatter: Who Cares! Schedule for Wednesday, December 10 2014 at 7pm in Freeman Auditorium of the HUB. More details will be posted as they are released on the Facebook page and GPSA website calendar.
   i. Side note: another die-in scheduled for December 4, 2014 at noon outside of Paterno library

c. UP Student Transportation Commission Meeting (11/18)
An alternative transportation coordinator position will be in the place this spring.

Concerns over increase in number of parking tickets distributed

1. Are students parking in wrong places? Do students know where there are appropriate places to park?
2. Would it be possible to have additional 15-minute parking spots around campus?
   a. There is a concern with this that students will abuse they spots to park and stay all day.
3. If you have additional ideas on how we can address this issue, please contact Nicole (nmb5273).

There has been discussion about using a car share program on campus (i.e. Zipcar).

1. Want to ensure that there would be revenue sharing so that money from this can be reinvested into faculty/staff/students.
2. There is also the issue that there may be supplemental liability insurance required for people under the age of 21.

Bike Share Program

1. Discussion about creating a bike share or bike rental program on campus.
2. Possibility to use student ID cards to use, but what about expanding this program beyond students?
3. This is an expensive endeavor!
4. There will be a survey about this after winter break to get student feedback, but if you have ideas, comments or suggestions in the meantime, please send them to Nicole (nmb5273).

There will be extended parking hours for students the weeks of December 7, 2014 and December 14, 2014.

1. Reminder that you can also purchase temporary commuter passes for the Transportation & Parking office that are relatively inexpensive.

Facilities Fee Advisory Committee Meeting

1. Release has been posted on Facebook page – this has lots of useful information – check it out here: [http://onwardstate.com/2014/12/02/facilities-fee-advisory-committee-releases-data-wants-your-ideas/](http://onwardstate.com/2014/12/02/facilities-fee-advisory-committee-releases-data-wants-your-ideas/)
2. Still accepting ideas, so please keep submitting! Proposals will be reviewed in January 2015 – submit through UPUA What to Fix (WTF) program.
3. Moved to extend report by unlimited number of minutes by Kevin Horn, 2nd by Jared Kephart. Motion passes (17 in favor, 2 opposed, 0 abstentions).

Student Leaders Roundtable (12/2)

1. UPUA Smoke-free campus initiative
   1. Looking to gather information and poll people – we are interested in feedback! This initiative would most likely apply only to University Park.
2. University-wide alcohol policy change proposal
   1. Discussion, originating in UPUA, to abolish changes made in 2009, which state that alcohol cannot currently be present in dorms.
2 THAW (alternative to State Patty’s Date)
   a Abe Harpster (Board of Trustee member & Chair of Academic Affairs & Student Life Committee) would really like feedback on this idea

3 Sexual Assault Prevention Task Force
   a Update given from Damon Sims:
      i Task force will be issuing a report to President Barron by the end of the semester
      ii Centre daily times has been doing a 4-part series on the efforts of the task force
      iii Bystander initiative will also be a part of this report
      iv Stand-along Title IX officer within Student Affairs
      v Training for employees and students
      vi Some policy changes are expected

f. Capital Day preliminary discussions (12/4)
   i Attending a meeting with Governmental Affairs this week
      1 If you are interested in participating in this, please contact Nicole (nmb5273)

g. Student Sustainability Action Council (report on behalf of liaison, Jennifer Newton) (12/1)
   i Recommendations have been made to the Vice-Presidents:
      1 ‘Green Zone’ tailgating, fixing compressed airlines, 1 in 3 urinals be flushes, increase virtual machines for IST and Munters Unit, Printer sharing, White Building: equipment that puts energy back into grid or installation of green roof, solar, energy floors and discontinue the selling of plastic bottles, anaerobic digester, consistent recycling procedures across campus (i.e. all coffee cup compostable), more visibility of sustainable efforts during student orientation and in public spaces
      ii Looking for more thoughts from graduate & professional students on sustainability concerns – please contact Jennifer (jnn118)

IX. Report by the Secretary: Jeffrey Masko

X. Report by the Treasurer: Courtney Davis
   a. Co-sponsorship request from Sexual Violence Awareness Roundtable – Scott Rager, as liaison, was speaking on behalf of the roundtable
      i Week long of events during April 2015 to increase awareness of sexual assault and violence
         1 Events will include or be similar to the following:
            a Tabling, informational pamphlets, key-note speakers, walk a mile in her shoes, take back the night, tie-in with athletic events, fundraisers for Women’s Resource Center, etc.
      ii Asking for funds to support brightly colored t-shirts (with design ‘Only do it with consent’) – trying to order approx. 4000 shirts – included with this cost is a speech by Jasmin Enriquez (PSU alumna)
         1 Total cost for this order is approx. $19000.00
            a IFC will be paying roughly half of this cost
b. UPUA will be paying approx. $8000

c. Asking $4000 from GPSA

iii. Moved to extend report by 10 minutes by Ayla Gafni, 2nd by Jared Kephart. Motion carries (17 in favor, 2 opposed, 0 abstentions).

iv. Q: Will shirts be given out or sold? T-shirts will be given out.

v. Moved to approve this request by Jared Kephart, no 2nd. Motion fails.

vi. Question was raised about the fact that we can help with the purchase of t-shirts for other organizations, but we cannot purchase t-shirts for ourselves. Is there another way we could contribute?

vii. Suggestion that the treasurer prepare a report about the budget as it stands for the beginning of next semester so that the assembly can decide how much money can be afforded to give to this cause.

viii. Questions were raised about the deadline to order the t-shirts, but no information is known yet about this. Other organizations seem to be waiting to confirm their cosponsorship of this event until they see how much money other organizations are giving.

ix. In order to make a well-informed decision on such a large request, the assembly will require a more solid foundation on how this money will be spent, what benefit will be seen and how the GPSA can become involved with the planning and execution of events during the week.

x. Moved to approve $1000 cosponsorship through unanimous consent for the purchase of t-shirts by the Sexual Violence Awareness Roundtable, 2nd by Ayla Gafni. Motion passes.

b. Clarification asked about the GPSA cosponsorship with Moving On – a $3000 amount was approved previously in Fall 2014 for this event.

XI. Report by the Faculty Senate: Enica Castañeda

a. Nothing to report.

XII. Report by Graduate Council

a. Nothing to report.

XIII. Reports from Liaisons

a. Moving On: Char White

   i. Hoping to get bigger artist to hit line during the event.

   ii. Meetings are every Monday at 4pm – please email Char (cnw5058) if you have questions, comments, input, etc. GPSA is a co-sponsor of this event and involvement in the planning is highly encouraged!

b. STAC: Douglas Whalen

   i. Survey that was disseminated previously was terrible. If you have survey design skills or are a licensed doodle coach, please contact Doug (dkw5064).

XIV. Report by the Judiciary

a. Special Elections

   i. 1 person has announced intent to run for an at-large delegate seat: Marika Merritt

      1. Constantly relaying information back to law school regarding GPSA activities and events.
Now that her schedule is opening up, she feels that she can give the proper amount of time to this position

Moved to approve Marika Merritt as at-large delegate by Jared Kephart, 2nd by Alex Park. Motion carries (16 in favor, 2 opposed, 1 abstention). Congratulations Marika!

Moved to extend report by 2 minutes by unanimous consent by Jared Kephart, 2nd by Ayla Gafni. Motion carries

Constitution

If you have issues or concerns with the constitution or bylaws as they are currently stated, please work with the Internal Development committee to draft amendments. We all know this needs to be done, but we need the initiative to get it started!

Role of Executive Secretary

Looking to informally poll the assembly to determine if the executive secretary resigned from his position by knowingly refusing to perform his duties as outlined by the bylaws and/or constitution

Given the recent turmoil and concern over transparency, Judiciary is looking to understand the opinions of the assembly on this matter before making a final decision

Moved to extend report by 5 minutes by Ayla Gafni, 2nd by Erica Hildabridle. Motion carries (20 in favor, 0 opposed, 0 abstentions).

The Judiciary would retain the right and ultimate decision on whether to remove the Executive Secretary from his office regardless of the results or opinions gather in the informal poll

This poll may be more harmful than helpful, however – asking people to choose sides on this contentious issue could lead to more problems and there hasn’t been time to reflect on the events

Judiciary has not made an internal decision as of yet, but they are seeking input

What is the role of Executive Secretary as defined by the bylaws?

“The Executive Secretary shall be responsible for taking minutes at all Assembly and Executive Board meetings and for providing delegates with agendas for Assembly meetings at least two days prior to meetings. The list of delegates shall be maintained and updated by the Executive Secretary. The Executive Secretary shall also be charged with distributing the GSA Newsletter on a regular basis, maintaining the GSA email account, and scheduling speakers for regular Assembly meetings.”

The actions of the Executive Secretary and select delegates at the beginning of this meeting were a result of concerns regarding transparency, the inability of the GPSA to change and general disheartenment about these issues

Moved to extend report by 5 minutes by Luis Ocampo, 2nd by Aparna Parikh. Motion carries (16 in favor, ?? opposed, ?? abstentions)

In general, was this the appropriate way for an executive officer to respond to the situation?
Perhaps the better solution would have been to discuss with the assembly the recent events and how best to move forward to make this organization an effective and just voice for the graduate and professional students we represent.

a. Can a similar question be asked about the delegates who also chose to leave this meeting in protest? Technically, they have no official duties to perform and can miss 2/3 consecutive meetings without cause for removal.

viii. No decision has yet been made, but please correspond with the judiciary if you have any questions, comments or concerns regarding this issue (JudiciaryGPSA@gmail.com)

XV. Report by the Faculty Advisor: Philip Burlingame

a. He has been advising student organizations for 32 years – this is not his first rodeo and there is a lot of wisdom that can be gained listening to his words:
   i. Incivility is particularly hampering to governmental organizations
   ii. Dissidence is important and this organization can and does benefit from having individuals with differing opinions.

1. His suggestion is that we, as an organization, come to terms with this. But we must also consider how we can engage in important issues of debate without being disagreeable. Key point: you can disagree without being disagreeable

2. How can we keep this organization representing as many students and student voices as possible, even if that means that we have butting heads and differing opinions?

XVI. Open Forum

a. Katy Kragh-Burtow
   i. Enrollment numbers are out for the health insurance plan

1. Breakdown by undergraduate vs. graduate, etc. will be released soon

2. In total, 1100 people have been lost from the plan this year – a continued loss such as this could be quite detrimental
   a. Rough breakdown in terms of campus enrollment: ~700 University Park students and ~300 Hershey Park students have been lost

   ii. If you would like more information, please contact Katy (kck16)

b. Kevin Horne
   i. Is it possible to send an updated budget to the assembly that details how much money we have left, how it is allocated right now, how much flexibility there is, etc. for next semester? Absolutely! Courtney will work on making this available.

c. Marika Merritt
   i. Question directed to Scott Rager, as liaison to Sexual Awareness Roundtable: Can you please find out how the t-shirts are intended to be used for the week-long event? Will they be for volunteers? For everyone? How will they be distributed? What impact do you think they will have?

d. Judiciary
Please contact Emily McLaughlin, Brian Aynardi, and Seth Kandl (JudiciaryGPSA@gmail.com) with comments or concerns about officers not fulfilling their duties as outlined in the constitution and bylaws.

THANK YOU for being respectful, everyone. It was encouraging to see that we can be calm, civil and respectful during discussions where emotions run high.

Moved to adjourn meeting by Jared Kephart, 2nd by Ayla Gafni. Motion carries (20 in favor, 0 opposed, 0 abstentions).
