Bill # 66-10
The Graduate and Professional Student Association (GPSA)
The Pennsylvania State University

of the 67th Assembly
August 30, 2017

Be it decided by the Assembly of Elected Delegates,

Funding for Cooking Program from College of HHD
Funding for event registration fee
(Decided: [ Y / N / A ])

Nature of the Situation:

GPSA strives to promote “leadership, social, and service opportunities to the graduate and professional student body” and “events and activities to promote a sense of community among graduate and professional students and their families”. Previously, we have collaborated with the College of Health and Human Development (HHD) to provide a cooking program for the graduate and professional students. The events were successful, and many more students have expressed their interests to attend a similar event in the future.

This event provides a hands-on learning experience which promotes good cooking and healthy lifestyles for all ages. The Outreach Office of HHD collaborates with other organizations and groups to design a specific cooking program per request. Each program will have a range of 36 to 40 participants at a cost of $35 per person. The program will provide 12 recipes, in-person guidance, hands-on cooking experience, as well as a family-style dinner that prepared by all the participants.

Recommended Course of Action:
GPSA will host two cooking programs (one in fall and spring semester) in collaboration with College of HHD, and subsidize $20 per person for the registration fee. Each participant will pay a registration fee of $15 instead. GPSA authorizes the following expenses for the Programming Subcommittee as part of the Cooking Program, which will be held one evening during the month of November and the month of March at the Henderson Room 007, 5:00 pm – 8:00 pm:

- Attendant Fee - $35.00 per person with minimum of 36 people and maximum of 40 people = maximum: $1400.00/Cooking Program

\[
\text{Total: } 2 \times [1400.00 - (\$600 \text{ from ticket sales})] = 1600.00
\]
