Be it decided by the Assembly of Elected Delegates,

PHD THE MOVIE SCREENING
Funding for Movie Screening
(Decided: [ Y / N / A ])

Nature of the Situation:

Part of the GPSA’s mission is to provide programming events to enrich graduate student life at Penn State. The PhD comics have been heralded as an outlet for graduate students to laugh about life in academia and to understand that they are not alone in their struggles. The PhD movies have been described by viewers as impossible not to relate to. This particular platform provides graduate students a cathartic release from regular graduate student life.

Recommended Course of Action:

The Graduate and Professional Student Association authorizes the programming committee to purchase the following items for a PhD the Movie double feature screening in HUB 233AB on January 19, 2018.
