Bill # 68-23

The Graduate and Professional Student Association (GPSA)
The Pennsylvania State University

of the 68th Assembly
November 14, 2018

Be it decided by the Assembly of Elected Delegates,

Co-sponsoring for AWG Geosciences Bearded Ladies Outreach Event
Funding for food, and drinks
(Decided: [ Y / N / A ])

Nature of the Situation:

GPSA frequently helps to fund events that enrich graduate and professional student life at Penn State and allows for graduate and professional students to present their research. The Association of Women Geoscientists (AWG) is a student-run platform engaged in bringing together women in geoscience and introducing young girls and women to geoscience careers. AWG is hosting an outreach event for middle and high school students, centered around the Bearded Lady project exhibit being hosted in the EMS Gallery. The event will feature a documentary screening, activities to engage with the exhibit, and introduce students to the diverse research pursued by Penn State graduate women in science. AWG expects over 100 students to attend the event.

Recommended Course of Action:

The Graduate and Professional Student Association agrees to co-sponsor this event in the amount $600 to cover the cost of lunch from Subway on December 18, 2018.

Total: $600

Respectfully submitted,
Sidharth Agrawal
Delegate, College of Earth and Mineral Sciences
