Resolution # 67-03

The Graduate and Professional Student Association (GPSA)
The Pennsylvania State University

of the 67th Assembly
1/17/2018

Be it decided by the Assembly of Elected Delegates,

Graduate Council At-Large Delegates
Granting of voting privileges to Graduate Council members
(Decided: [ Y / N / A ])

Nature of the Situation:
For previous assemblies, the Graduate and Professional Student Association has required attendance of the Graduate Council student members at general assembly meetings. While they retain speaking privileges, these members are not permitted the right to vote on or present legislation. Graduate Council assembly members are involved in planning and execution of programs and co-sponsorships. Additionally, they are well versed in the machinations of the University and provide valuable insight when discussing legislation. These members of the Assembly would better serve the GPSA by having the ability to vote.

Recommended Course of Action:
For the remainder of the 67th Assembly, Graduate Council members will concurrently serve as At-Large Delegates.

A longer term solution to address the voting privileges of these GPSA members will be submitted in a resolution for consideration by the Assembly at a later meeting, but prior to the Intent to Run period for elections of the 68th Assembly.
Respectfully submitted,

Brian Conway  
Delegate, Eberly College of Science  
Speaker of the Assembly

President _____________________________________________________________________  Affirm  Veto
